

Durham Farm Fresh Marketing Association

"Buy Local! Buy Fresh!"

Welcome to the Durham Farm Fresh Marketing Association

We are an association of Durham Region Farmers, Producers, Chefs and Retailers who care about locally produced food ~ bringing quality and freshness from our farms and markets to your table since 1993.

Our members are those individuals, farms and partnerships or corporations who reside and produce or sell within our region.

As an association our mandate is "to improve the awareness and economics of agriculture in Durham Region by fostering **more effective direct marketing** via education of members, information gathering and product promotion."

Consumer trends continue to increase purchasing of locally produced items and healthier choices and alternatives. With the use of a variety of marketing tools, we strive to increase the awareness and accessibility of local food for Durham Region residents. Through educational presence at local food shows, festivals & fairs and consistent media coverage, Durham Farm Fresh is working towards promoting our local products.

In addition, Durham Farm Fresh is working to increase the membership base, sources of revenue, and partnerships so as to improve the long term sustainability of the organization. We now sell gift baskets/boxes featuring non-perishable products produced by our members.
